

REMARKS

The Examiner is respectfully requested to enter the foregoing amendment prior to examination of the above-identified patent application to remove multiple dependent claims and the government fees associated therewith; to place claim 2 into independent form; and to add dependent claims 12 – 20; and to place the claims more in accordance with idiomatic English and standard U.S. practice.

The amendments to the claims made in this amendment have not been made to overcome the prior art, and thus, should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach thereto.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Sumio KOMATSU

Bruce H. Bernstein
